اللَّهُمَّ صَلِّ وَسَلِّمْ عَلَى عَيْنِ الرَّحْمَةِ الرَّبَّانِيَّةِ وَالْيَاقُوتَةِ الْمُتَحَقِّقَةِ الْحَائِطَةِ بِمَرْكَزِ

O Allah, send prayer and peace upon the wellspring of divine mercy and the actualized ruby that contains the focal point of all understandings and meanings, the Adamic light of all constituted creations and possessor of divine Truth, the brightest flash of lightning that comes with profitable rainclouds that fill every body of water and container ready to receive them, and Your sparkling light by which You filled all Your creation, containing all places.

O Allah, send prayer and peace upon the wellspring of the Truth, from which the thrones of realities become manifest, the source of the most upright knowledges, Your complete and straightest path.

O Allah, send prayer and peace upon the emergence of the Truth by the Truth, the most immense treasure, that which You made to flood out from You to You, the encompassment of cryptic light—may Allah send prayer upon him and his family, a prayer by which You give us knowledge of him.
